

# SMARTER MEETINGS START HERE

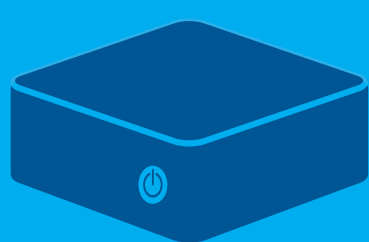

## Introducing Intel® Unite™

Start meetings faster. Display wirelessly.  
Annotate on shared documents in real time.  
All simply and instantly with Intel® Unite™ software.

## IT Two steps for smarter conference rooms.

1. Connect an Intel Core™ vPro™ processor-based mini PC with the Intel Unite tool in your conference room.

2. Push the Intel Unite application to your users.

## USERS Two steps for smarter meetings.

1. Enter your room's six-digit PIN.

6 | 2 | 4 | - | 1 | 9 | 2

2. Share.

**Unite for a better way to work.**
