

**The right
laptop at the
right price**

Series Overview

Equip your workforce for unprecedented success with an enterprise-class laptop built and priced for small- or medium-sized businesses like yours—Toshiba's new 15.6" Tecra® C50 laptop. Tap into the legendary Tecra® tradition of performance for the advanced power, security and durability you need to outclass the competition. An extremely durable device, and packed with essential productivity features, this laptop delivers the right gear at the right price—including the latest Intel® Core™ i3 and i5 processors, an expansive HD screen and keyboard with a numeric keypad for multitasking and working with spreadsheets, plus a great battery life rating to keep business in motion. All this with unmatched Toshiba build-quality, delivering one of the industry's lowest failure rate.

Toshiba Recommends Windows 8.

Product Highlights

Extended Battery Life

Extend the workday with a battery life rating of over 7 hours.

Built-In DVD Drive

Share work, load programs, present your corporate video and do all-important PC backups with a built-in DVD drive.

Security Features

Worry a lot less about security, thanks to a Trusted Platform Module (on select models) and security lock slot.

Toshiba EasyGuard® Technology

Tap into proven reliability with the Toshiba EasyGuard® Technology, plus comprehensive testing for Drop Tests, Pressure Tests and Highly Accelerated Life Testing (HALT).
