

eSentire PARTNER PROGRAM

PARTNER WITH THE PROVEN LEADER IN CYBERSECURITY SERVICES

eSentire simplifies cybersecurity for midsize businesses, protecting high-risk assets from complex threats that technology alone can miss, 24x7. Our award winning service delivers proven real-time protection and active resolution of cyber threats and advanced targeted attacks. With embedded incident response, a 95+% customer retention rate, and an unrivaled ratio of security experts to clients, our partners can rely on us to deliver unparalleled, personalized service to their clients.

PARTNERSHIP OPPORTUNITIES

Whether you want to expand your revenue opportunities, increase market share or enhance your service offerings, eSentire has the programs, tools and resources to help you take advantage of rapid growth in the security market.

REFERRAL PARTNERS

As a referral partner, earn rewards with minimal investment by identifying new sales opportunities for eSentire.

RESELLER PARTNERS

Expand your revenue opportunities by capturing recurring revenue as reseller partner.

MSP PARTNERS

Drive additional revenue opportunities by incorporating eSentire's Active Threat Protection services into your offering.

TECHNOLOGY PARTNERSHIPS

eSentire partners with industry technology leaders to deliver joint solutions that are interoperable with the Active Threat Protection platform.

EXPAND YOUR OPPORTUNITIES. ACCELERATE YOUR DEALS. GROW YOUR BUSINESS

The eSentire Partner Program grows recurring revenue streams and allows you to earn generous rewards for recommending our services. Our collaborative sales approach accelerates business by delivering active engagement and account planning, training opportunities, sales tools, deal registration and co-marketing support to help you generate demand and close opportunities with velocity.

The Active Threat Protection platform enables you to reach new customers, increase revenues, expand your portfolio and grow market share. We help you to provide the best protection to your clients, fostering customer loyalty and creating long term recurring revenue streams with excellent margins..
