

Why partner with Eaton?

Our priority is you

Eaton's award-winning channel partner program—offering exceptional margin—ensures the success of your business by providing ways to increase your revenue and instill long-term growth.

- ✓ We understand the challenges
- ✓ We have the expertise
- ✓ We offer best-in-class solutions
- ✓ **We make IT easy**

With unparalleled knowledge of electrical power management, you can trust Eaton as your single source for comprehensive power management solutions that organize, protect and manage IT environments.

Key market differentiators

- **Award-winning power management software** provides a new source to expand your revenue stream.
- **Integration and lab validation with key IT industry leaders** allows you to easily attach power to your deals, offering a more complete solution and increasing your revenue.
- **Industry leading three-year warranty** with advanced replacement option and free tech phone support. Provides peace of mind while saving time and money with a full coverage, longer-than-industry-standard warranty.
- **24/7 field support from nationwide service organization** quickly delivers the on-site support you need.

Benefits of attaching Eaton power: Increase ROI

Increasing your revenue by attaching power looks great on paper, but the benefit doesn't stop there. By better meeting your customers' needs, you will strengthen your relationship and create long term growth. Attaching power to your data center sales allows you to:

- ✓ **Sell the complete solution**
simplifying the buying experience by becoming the only place your customers' need to shop
- ✓ **Become a trusted power expert**
giving you account control by providing your expertise to your customers
- ✓ **Create more touch points**
including equipment refresh opportunities by managing the products' lifecycles

Don't just take it from us.

Hear what your peers have to say about working with Eaton.

"Eaton and their team is easy to work with, help with all pre-sales builds, reasonably priced with a great warranty and offer free ground shipping!"

- **Guy Gallelli**
Senior Account Manager
Vology

"Eaton is our first choice not only because of their great customer support, but for how they put our clients first and provide us with a quality product to provide to our clients."

- **Shelley Deane**
Senior Technology Consultant
JEM Tech Group

"Eaton is a rare exception that both understands the IT channel and takes an interest in the success of our business. Their channel-friendly programs are easy to use and we receive excellent support from our dedicated channel sales team."
