Service.
Supported by business-grade services

Exceptionally modern for the new workforce.

BUILT FOR BUSINESS. DESIGNED FOR YOU.

ThinkBook 14s Datasheet
BUILT FOR BUSINESS. DESIGNED FOR YOU.

STYLE, SECURITY, & RELIABILITY

**Slim, Metal Body:** built from aluminum metal, yet weighs less than 1.5kg/3.3lbs. and is 16.5mm thin with a mineral gray finish

**Infinity Screen:** 80% screen-to-body ratio means the body is smaller, not the screen

**Immersive Audio:** HARMAN branded speakers with Dolby® Audio™ for better sound clarity

**Default Discrete TPM 2.0:** enables Windows 10 security features and encrypts user data

**Camera Shutter:** allows full control over camera and privacy

**Anti-spill Design:** withstands up to 60cc of liquid on the keyboard

**Higher Durability:** lay-flat hinge design allows free exit of heated air which extends reliability, and zinc coating makes the hinge last longer

INSTANTANEOUS RESPONSE

**Latest OS & Processor:** Windows 10 Pro 64-bit on 8th Generation Intel® Core™ i7 Processor means the hardware is performing to its maximum capability

**Standard SSD:** up to 18x times responsiveness of an HDD**

**Backlit Keyboard**: comfortable keyboard and one-piece touchpad eases strain of long hours spent typing and editing documents

**Smart Power On:** login with fingerprint and unlock in one step, just like a smartphone

**Skype Hot Keys:** one key to answer, one to hang up, eliminates searching for on-screen buttons

**Skype-certified Mics:** near-field voice recognition allows effective interaction with Microsoft Cortana

**Powerful Graphics:** AMD Radeon™ 540X with 2GB GDDR5 VRAM for an immersive visual experience

UNCOMPROMISED SUPPORT

**Think Service & Support:** automatic access to business-grade expertise and repair, for up to 30% faster SLAs, greater satisfaction, and lower downtime

**Longer Warranty:** up to 1-year base and up to 5 years total, depending on the model and country of purchase

**Onsite Next Business Day Support:** easily upgrade to NBD with extended warranties, exclusive to Think products

**Accidental Damage Protection (ADP):** protect yourself from the replacement costs of broken screens and liquid damage

**Premier Support Option:** focus on business, not IT, and benefit from the best SLAs, real technicians, and expertise

**International Coverage:** warranty support where the particular ThinkBook S model is sold and serviced, consistent service levels.

**Expedited Depot Service:** Upgrade to this service to ensure minimum downtime with a faster turnaround on all covered repairs.

THINKBOOK PROFESSIONAL 15.6-INCH BACKPACK
4X40V26080
This backpack with a modern design carries and protects your ThinkBook, while premium, lightweight materials withstand everyday wear and tear. It also has a separate padded pocket for an additional smaller device.

THINKBOOK WIRELESS MOUSE
4Y50V81591
With dedicated volume control side buttons, on the fly DPI adjustment, and an ergonomic design, the ThinkBook Mouse is built for productivity. Also built in are six separate control buttons, a 2-level scroll wheel, and room for 1AA battery which can power your mouse for one year.

THINKPAD HYBRID USB-C DOCK
40AF0135XX
With USB-C and USB-A ports, this dock expands the capabilities of the ThinkBook 14s, making it perfect for mixed-PC or shared-desk environments. It enables dual monitor setups, up to dual UHD 4K resolution, and RapidCharging for Lenovo devices.

**Services and Support:**

**All-round Care for Your ThinkBook**

- Flexible Warranty Extensions and Upgrades
- One-Call Access to Professional Help
- International Coverage Policy
- Covered for Uncertainties

**Device Maintenance and Repair**

Get flexible and 30% faster response with Lenovo commercial services.

- Onsite Next Business Day Response (NBD) and Technician Installed Customer Replaceable Unit (CRU): a skilled technician is dispatched for immediate resolution.
- Expedited Depot Service: in case of an unresolved issue with use of a CRU, the product will be repaired at a designated service center with expedited turnaround time.

**Covered for Uncertainties**

Accidental Damage Protection (ADP) provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

*Based on testing with MobileMark 2014. Battery life varies significantly with settings, usage, and other factors.**Optional.
