

Always-On Connectivity

THE MODERN WORKFORCE

Top three reasons the Acer Chromebook Enterprise Spin 513 is the best fit for the modern workforce:

1

LTE Enabled

2

Zero touch enrollment

3

Ultra-long battery life

CONSTANT CONNECTION

The Chromebook Enterprise Spin 513 features the Qualcomm Snapdragon 7c platform, which provides an **always-connected** 4G LTE option.

ALWAYS-CONNECTED 4G LTE

ENTERPRISE CLASS FEATURES

The Chromebook Enterprise Spin 513 is built with the following advanced features:

ADVANCED FEATURES

13.3" Corning® Gorilla® Glass touchscreen display with IPS technology, full HD, and a 16:9 aspect ratio

Touchpad and optional backlit keyboard

USB Type-C port and USB 3.2 Type-A port for versatility in charging or using external devices

Battery life of up to 14 hours

Two built-in microphones for improved audio reception

Options for either 64 or 128 GB of eMMC storage

CHROME ENTERPRISE OS POWERED

The Chrome Enterprise OS helps improve security, simplify orchestration, provide flexible access, and provides easy access to support.

Simplified orchestration of Chrome devices across the enterprise from the cloud-based Google Admin console or a third-party management solution

24/7 Chrome Enterprise OS troubleshooting assistance

Flexible access to corporate data

Advanced security controls, including easily disabling lost or stolen devices

ANY WORKER ANYWHERE

ZERO TOUCH ENROLLMENT

The Chrome OS paired with the features built into the Chromebook Enterprise Spin 513 provide Zero-Touch Enrollment (ZTE). IT can deliver a device to any worker anywhere that will automatically enroll as soon as the worker connects to the internet.

1. Purchase the Chrome OS device

2. Generate a pre-provisioning token

3. Partner registers device with Google

4. Device is shipped to the user

6. Google confirms device identity

5. User powers on the device

7. The user can now log in

TRULY READY OUT OF THE BOX

Once a user receives their device, all they need to do is connect to the internet, log in, and they're ready to go.

The 2-in-1 Acer Chromebook Enterprise Spin 513 is the first Qualcomm-powered Chromebook with optional 4G LTE connectivity, perfect for school or business alike. www.acer.com/ac/en/US/content/professional-series/acerchromebookenterprisespin513
