The Total Economic Impact™ of BlueVoyant Managed Security Services

**COST SAVINGS AND BUSINESS BENEFITS ENABLED BY BLUEVOYANT**

A FORRESTER TOTAL ECONOMIC IMPACT™ STUDY COMMISSIONED BY BLUEVOYANT

One of the best ways to demonstrate and justify the value of managed security services to executive and stakeholders is to calculate the total economic impact (TEI). BlueVoyant commissioned Forrester Consulting to examine the TEI of BlueVoyant Managed Security Services across five organizations. It also shows the benefits, costs and savings they experienced.
