

2022 ACER COMMERCIAL SOLUTIONS

CHROME ENTERPRISE

Take Your Business to the Next Level

Business

Business tomorrow might look different from business today. Acer Business Solutions empower organizations and workforces to get work done faster, collaborate from anywhere, and enhance operation efficiency with ease whether it be on-site or remotely.

Chromebook Enterprise Spin 713

Do More, See More, Anywhere.

Your Chromebook now looks as good as it performs. The Intel® Evo™ platform-based convertible Acer Chromebook Spin 713 is designed to give users a premium experience with increased speeds from the up to 11th Gen Intel® Core™ i7 processor, a long-lasting and quick-chargeable battery, and its exclusive VertiView display.

11th Gen. Intel Evo

Up to 11 hours of battery life w/ fast charging

VertiView Display

DTS & Smart Amplifier

Metal chassis

Chromebook Enterprise Spin 513

Style and Productivity

Productivity has never looked so good. With aluminum top and bottom covers and a Qualcomm® Snapdragon processor, the 2-in-1 Acer Chromebook Spin 513 offers a premium look and feel that you can take just about anywhere.

- VertiView Display
- Webcam with temporal noise reduction technology
- Optional LTE
- Corning® Gorilla® Glass touchpad

Chromebook Enterprise 515

Hybrid Working, Optimized

Loaded with an 11th Gen Intel® Core™ i7 processor, the Acer Chromebook Enterprise 515 and its large 15.6" Full HD display provides an optimized conferencing experience that allows business users to take advantage of secure cloud technology and glide seamlessly between work, home, and passion projects. It also ships with the Chrome Enterprise upgrade already unlocked, allowing IT to deploy, orchestrate, and power the cloud workforce securely and effectively from anywhere - no additional purchase of the Chrome Enterprise Upgrade necessary.

- 11th Gen Intel® Core™ Processor
- DTS® Audio with Smart Amplifier
- U.S. MIL-STD 810H Compliant
- Fingerprint reader and built-in numeric keypad
- Corning® Gorilla® Glass touchpad

Chromebook 514

Powering Everyday Life

The Acer Chromebook 514's aluminum top cover provides an elegance that hides the power of an 11th Gen Intel® Core™ processor. With optimized conferencing ability, power users can work both in and out of the office while taking advantage of secure cloud technology that lets them glide seamlessly between their work, home, and passion projects.

- 17.3" FHD IPS Touch pane
- FHD Camera
- Large touchpad
- Dual full-sized upward facing speakers
- Numerical keypad

Chromebase for Business CA2412

Ideal for Enterprise Businesses

The elegantly styled 24" All-in-One is the ideal workstation for modern offices and the front desks of kiosks. With an 8th Gen Intel Processor, 5MP webcam, and dual microphones and speakers it's designed for the next generation of interactivity.

 23.8" Full HD touch IPS panel

 Full audio system for video conferencing

 VESA wall mount

Chromebox CX14

Streamline Your Workspace

Get a lot out of this Mini PC. Loaded with Chrome OS, the Acer Chromebox CX14 is easy to setup, provides integrated malware protection, and offers a variety of premium features from Google right out of the box.

 Up to 10th Gen Intel® Core™ i7 processor

 VESA mounting kit

 **HDMI**™ 2 HDMI 2.0 ports
